

CYCLING IN ANDORRA:

6 Days / 4 Routes

REQUIRED LEVEL: MEDIUM - HIGH

The Cycling packs consist in an experienced guide picking up the clients in the hotel in a van to move to the departure point of the route, some days this point will start in the Seu d'Urgell (Spain).

The routes will consist of ascending a positive height difference between 600 m and 1200 m depending on the route, and continue with some trails, tracks and spectacular and very funny sections.

The tours offer a cultural view with the visit of little villages and little mountain churches.

PRICES AND CONDITIONS

This trip is specially designed to discover the wonderful and unknown little country of the Pyrenees: The Principality of Andorra. You will cycle incredible routes, between high mountains and along its wonderful valleys; enjoy the beautiful views of the Pyrenees. Moreover, you will be able to enjoy the traditional Andorran cuisine and to discover the antique history of this ancient country.

CYCLING IN ANDORRA:

6 Days / 4 Routes

PROVISIONAL ITINERARY

DAY 1

Arrival to Andorra

Check in at the selected Bikefriendly Hotel*** in Ordino or Encamp and briefing of the program

DAY 2

Route to Ordino – Arcalís 60km / 1.500m

Beginning of the day in the morning from the hotel to cover about 60 km with 1500 m drop. This first day we will arrive at the most mythical ports of the Principality of Andorra, we will go to Ordino-Arcalís, the final stage of the Tour de France in the years 1997, 2009 and 2016, a very long climbing of 26 km but with many flat areas where we will be able to recover forces and to arrive in good conditions to the final part of the last 10 km where the road and the altitude demand an extra effort. Once up we will be able to enjoy an incomparable landscape of high mountains. Then we return by the same road to the hotel.
